AUGUST MISSION MOMENT

Back to School!

FUMC Hurst Loves our Adopt-A-Schools! Every fall, we ask our teachers which items will be the most helpful to helping set up their classrooms and their students for success. You can support our schools by donating any of the items on this list. You can also make a donation to "Adopt-A-Schools" to support this ministry which includes:

- Weekend feeding backpacks
- HEB ISD Education Foundation Grants
- Teacher Appreciation and Support
- and more!

Help us collect these supplies evenly by purchasing from the list with your birthday month!

Backpack Ministry

This summer, the church received a very generous \$10,000 gift to advance the backpack ministry. This gift creates space to dream about how this ministry might grow to meet the increasing demands for food in this community. We give thanks for your continued support of this community.

29TH ANNUAL

CANAFAX GOLF

SCRAMBLE

BENEFITING

MISSION CENTRAL

September 11, 2022

Did you notice the slight change in the title for this year's golf tournament? This year, the tournament is our gift to Mission Central. What does that mean? Fundraisers are a costly and time-consuming way to generate support for a cause. Thanks to our golf committee members, this fundraiser runs smoothly, but our greatest challenge has always been gathering community support outside the walls of the church.

By gifting this tournament to Mission Central, we are creating space for local businesses and

sponsors who might not give to a church to sponsor Mission Central directly through the tournament. This approach has already paid off as we've already secured our first-ever Bronze Level Sponsor. There is plenty room for more! You can support the tournament in lots of ways. Talk about it with your friends! Do you know folks who play golf? Get them to sign up! Do you know someone who owns or has a lot of pull at the place where they work? Talk to them about sponsorship opportunities for the tournament

that will benefit Mission Central (who feed in excess of 12% of the population of the City of Hurst annually). Lastly, you can save the date and volunteer on the day of the tournament.

Team registration and sponsorship information is available at www.fumchurst.org/golf.

with our NEIGHBORS

Three mindsets for good neighboring that help connect us with People, Purpose, and God!

Abundance—God has created abundantly! Take notice of this abundance everywhere you go—especially in your neighbors and the gifts they have to offer!

Relationships—Design your life with the expectation that you will create and form intentional, new relationships. Ask Questions about Family, Work, Recreation, and Dreams!

Joy—Find ways to celebrate with your neighbors! Gatherings (especially those with food) help people to connect! Celebrations can call our attention to the abundance of God's presence, action, and activity in our communities.
